

L2e-Oculus JV
A SDVOSB COMPANY

Capability Statement

L2e-Oculus JV is a CVE-certified SDVOSB Joint Venture with over 27 years of experience providing site analysis/evaluation and selection, facility assessment, ADA compliance, in-depth strategic facility planning, transitioning, sustainable/LEED consulting, designed renovations, additions, and adaptive-reuse renovations, as well as new construction and relocation services. This experience has included 100+ projects for the Government such as the design of new out-of-ground buildings and renovations, facility condition assessments, and master planning projects across the nation. We are actively providing on-going project work for many government and private healthcare clients including VA, USACE, Air Force, DoD, GSA, EPA, State of MO, BJC HealthCare, and more.
